

**Separation**

**Termination of Employment Administrators**

The terms and conditions of the Superintendent's employment are governed by the employment contract between the Board of Education and the Superintendent. Employment and termination of the Superintendent are provided for in Policies 1720 and 1722. The employment of all other certificated teachers who are employed as administrators and who are not eligible for permanent status as a teacher are provided for in the policy.

Such district administrators are not eligible for permanent status in their administrative position. However, as provided by law, administrators may be entitled to permanent status as a teacher should their administrative employment be voluntarily or involuntarily terminated. All such administrators may be assigned to other administrative positions or teaching positions as provided in the regulations enacted under this policy.
