

TITLE I NEWSLETTER – FISK

2nd QUARTER

LEADERS OF THE MONTH

Outstanding effort!

K – Zoey Christian, Claudia Montague

1st Grade – Elizabeth Harty, Aubrey Miller

2nd Grade – Malakai Gilmore, Trinity Keith

3rd Grade – Ryker Jones, Allie Lewiski

4th Grade – Bryce Carruthers, Kyleigh Wilson

COMING SOON!

Kindergarten Family Night
Monday December 17 at 5:30 p.m.
Wear your PJ's and board the Polar Express

Kathy Cunningham portrays a Pilgrim and second grade students learn about Native American life.

Second Grade Family Night

Students and their siblings participated in a Native American Event recently. They learned about pottery and made their own clay pots. They also made Turkey Snacks. Thank you to all who came to an evening of fun and learning.

Class News

Kindergarten

Cornelia Hyde & Kayla Wombles

Kindergarten will continue to work with numbers 1-20, addition and subtraction. We will be counting to 100. We have started writing and sounding out words. We will continue with the letters of the week and really focus hard on that particular letter and letter sound.

We believe our children have really come so far this year already! Thank you to those parents who have really put in extra time and effort to work at home with your child. Please continue to do so! Any time you have an extra moment there are numerous things you can do at home. Count, search the newspaper or magazine for letters and sight words they know etc. Most importantly ask questions! Any time your child has a chance to recall what they learned at school better their education.

Feather Fundraising did Wonderful! Thank you for sending in all that you did. We have scheduled our field trip to the movie theatre for December 18th at 9:00 a.m.

The annual Christmas concert will be December 14. Hope to see all of you there. We are also looking forward to our "Polar Express Reading Night" Monday December 17th. Come out, wear your p.j.'s and have some fun!

1st Grade

Desira Dugger & Shonda Bridgewater

First grade is starting subtracting this week. Please continue to read with you kids. We are going to the Poplar Bluff Historical Museum and to McDonalds on Wednesday December 12. On Tuesday, December 18 we are going to a movie in Dexter.

2nd Grade

Krystin Cooper & Abby Clark

Hailey Key and Mrs. Clark enjoy making Turkey snacks at Family Night.

We will be working on telling time and counting money next quarter. Practicing these skills at home would be a huge help to get them ready for those math skills.

We have brought in quite a few tabs for the Tab to the Top competition! Keep sending those every month!

The kids all really enjoyed Red Ribbon Week! They all participated every day and did great!

Thank you to everyone who came out for our Native American Family Night!

Mrs. Cooper and Riley Haskell show off the Turkey Riley made at Family Night.

3rd Grade

Shelby Blascoe & Melissa Jackson

Parents please continue to practice multiplication and division with your child at home.

Third grade recently enjoyed several activities including a trip to the Poplar Bluff Museum, seeing a play at the Qulin Middle School, and a trip to see a movie.

Mrs. Jackson's class is doing awesome with flexible seating. We will be starting to work on Missouri History and a Living Museum project next quarter.

Thank you parents for sending extra money for trips!

4th Grade

Samantha Leutert & Leonda Moffitt

Any kind of practice with multiplication and division facts would be very beneficial. Students can do that by logging into xtramath.org or freckle.com.

Mrs. Leutert is very proud of her kiddos this quarter for working hard during math and trying their best to understand two digit multiplication. This is always a difficult skill. So many of them worked through their frustration and were able to use strategies to figure it out.

Fourth grade went on a field trip to Lazy L Safari. All of the kids enjoyed themselves and had a great time.

Our Family Night will be in March this year.

We encourage your kiddos to work on Prodigy or Freckle over Christmas break.

UPCOMING EVENTS
