

# TITLE I NEWSLETTER – FISK

## 1st QUARTER

### LEADERS OF THE MONTH

#### Outstanding effort!

**K** –Lee Conner, Audree Flores, Xayne Garner, Jalynn Huddleston

**1<sup>st</sup> Grade** –Cyanna Crowley, Roman Edwards, Karson Magill, Anna Grace Schulz,

**2<sup>nd</sup> Grade** – Johnathan Gooch, Rilyn Jones, Riker Parson, Aislyn Wells

**3<sup>rd</sup> Grade** –Ashlynn Acre, Rickie Cheshire, Emilia Hullinger, Axl Wilkerson

**4<sup>th</sup> Grade** – Lilly Burris, Hope Conner, Elizabeth Ellis, Tye Emmons

Fisk Elementary welcomes 1st-4<sup>th</sup> grade students new to Twin Rivers this year.

**Cathy Norred joins the Twin Rivers Staff as Physical Education Teacher K-8  
Pictured with Mrs. Clark’s second grade class**

### **Kindergarten**

#### **Cornelia Hyde & Kayla Wombles**

Parents please help your child by working on the alphabet chart daily and doing alphabet activities at home.

We learned about apples in September. We learned about all the colors and dressed in a different color each day. Our students are working in work stations and doing a great job.

We are looking forward to a field trip to Pumpkin Hollow October 24.

### **1<sup>st</sup> Grade**

#### **Desira Dugger & Shonda Bridgewater**

Reading with your child 10 minutes a night will help increase reading skills. Also please study spelling words and sight words nightly.

We are proud of our class for working hard to earn their A.R. necklaces. First grade will be going on a field trip to Pumpkin Hollow October 24<sup>th</sup>. Thank you for working with your child on sight words. This reinforcement makes a difference.

### **2<sup>nd</sup> Grade**

#### **Krystin Cooper & Abby Clark**

Next quarter we will be starting to add and subtract 2 and 3 digit numbers that have regrouping. We will also be working on telling time. Any extra practice at home would be great!

All of our students have gotten off to a great start with reading! We are very happy with

the amount of A.R. points they have achieved so far!

Our class really enjoyed seeing and meeting all of the first responders that came to our 9/11 breakfast and assembly. We are looking forward to our Halloween class party. This year it will be on Halloween and we can't wait to see all of the costumes!

### **3<sup>rd</sup> Grade**

#### **Shelby Blascoe & Melissa Jackson**

Please have your children read 15-20 minutes each night and ask them about what they are reading. Mrs. Jackson's class is doing great in small math groups. They always work well together.

We are looking forward to First Quarter A.R. party, Halloween party, Thanksgiving break, and Extra Mile Dinner.

### **4<sup>th</sup> Grade**

#### **Samantha Leutert & Leonda Moffitt**

Ms. Leutert's class is starting in with addition and subtraction with larger numbers. It would be so helpful if parents could make the time to practice math facts with their kiddos at home. Ms. Leutert's class has enjoyed just getting to know each other again and getting back into the groove of school. We have been learning a lot about each other and how to treat people with kindness.

We are planning for our 4<sup>th</sup> grade field trip. We are hoping to schedule it sometime in December. Information will be released once we settle on a day and time.

## UPCOMING EVENTS

October 12	1 <sup>st</sup> Quarter ends

## 2018-19 GET INVOLVED!

- Attend school events to show your interest in your child's activities. There will be many opportunities: parent/teacher conferences, family nights, sports events, art, music, drama, and science programs and many more. These provide a great opportunity to connect with other parents and get to know your child's classmates.
- Join or volunteer to help PTO.
- Sign up for Parent Portal to stay up to date on happenings at school and your child's class grades. Visit the schools website and Facebook pages. Find out if your child's teacher has an app to facilitate communication between teacher and parent.
- Check your child's backpack for information sent home and homework.
- Utilize the Reading Connection, Math & Science Connection, and Home & School Connection to engage your child in learning activities at home.

Your involvement in your child's education is a valuable part of his/her success!
