

# TITLE I NEWSLETTER – QULIN

## 2nd QUARTER

## STUDENTS OF THE MONTH

Students are selected on the basis of showing leadership qualities such as: Responsible, Respectful, Compassionate, Trustworthy, Helpful, Perseverance, Generous, Accountable and Patient.

**K**     **Josey Johnson, Samantha McCrory**

**1<sup>st</sup>**    **Hannah Stephens, Slade Stuckey**

**2<sup>nd</sup>**    **Natalie Burke, Ajay Rushing**

**3<sup>rd</sup>**    **Angel Garver, Marlee Musgraves**

**4<sup>th</sup>**    **Brady Blue, Summer Lashley**

## Second Grade Family Night

Second graders performed a Native American Rain Dance for parents and guests at their recent Family Night. They displayed posters and art projects depicting what they had learned from the unit. Everyone enjoyed making an edible Teepee. Mrs. Barnett and Mrs. Matthews are proud of the students for their good efforts in this project and a great performance. Thank you to all who attended!

## **Kindergarten**

**Lisa Bell - Hayley Benson**

Please review all letters and sounds, sight words from 1<sup>st</sup> quarter and 2<sup>nd</sup> quarter, counting, and reading sample sentences. We are half way through our hundredth day! We recently enjoyed a trip to Pumpkin Hollow, DEER Day, Veteran's Day assembly, and a Halloween parade and party.

We will be having a Valentine's Day Party next Quarter in February.

## **1<sup>st</sup> Grade**

**Amy Morse - Bridget Patterson**

Please have your children read our weekly reading story and their library books to you. Guide them as they use blends, word chunks, and other skills to figure out unknown words. Use everyday activities to strengthen reading and math skills.

We reached our second quarter reading goal on our beanstalk in the hallway. Awesome 1<sup>st</sup> Grade!

We recently enjoyed listening to guest readers on D.E.E.R. Day and we also enjoyed the Veterans Day assembly.

Next quarter students will become more independent. By the end of January, they will be reading weekly reading test

on their own. Our AR goal for each week will be two tests.

Have a Merry Christmas and a wonderful New Year!

## **2<sup>nd</sup> Grade**

**Cortney Barnett-Jordan Matthews**

Read with your child every night, study spelling words, practice Kick-It Math, addition and subtraction with regrouping.

We are proud of our student's performance in the Native American Family Night and the Christmas Music Program. We appreciate all who came and the support you have given us this year.

Ella Vancil assembles an edible Teepee at the Native American Family Night.

## **3<sup>rd</sup> Grade**

**Casie Crawford - Jessica Kirkman**

Parents please read A.R. and practice multiplication and spelling next quarter. We have learned new operations of multiplication and division. We also learned about different countries through stories, research and art projects. Our Thanksgiving Tasting

Party was another fun activity we enjoyed recently.

### **4<sup>th</sup> Grade**

#### **Sue Lamarr - Teresa Rose**

Please keep checking the Math homework and studying multiplication facts. Students need to memorize these facts, please drill these with your child.

A big shout out to those students who have memorized all their multiplication facts and have reached the clouds at the top of the beanstalk!! Students have progressed through two digit multiplication and are learning the division process. Division can be

challenging. Normally, lots of practice is needed. Don't give up!

Fourth grade recently participated in the Halloween parade, DEER Day, and a Veterans Day assembly.

We have finished our first newspaper. I think students found this challenging. Students were creative in their thoughts. Students also have enjoyed our investigation Discovery topics. Many interesting facts have been discovered about everyday items.

We are looking forward to Christmas Wonderland Day and starting a New Year off right in 2019.
